National Scholarship and Awards Program

Program Background

The JACL has been helping students achieve their educational dreams with the National Scholarship and Awards Program since 1946. The program currently offers over 30 awards, with an annual total of over \$60,000 in scholarships to qualified students nationwide.

The National Scholarship and Awards Program offer scholarships to students at the entering freshman, undergraduate, graduate, law, financial need and creative & performing arts. All scholarships are one-time awards.

Eligibility

Every applicant must be an active National JACL member. JACL Membership is open to *everyone* of *any* ethnic background. All who meet eligibility criteria are welcomed and encouraged to apply. Note: applicants need to hold an Individual or Student/Youth Membership (Couple/Family membership by a parent will not meet this requirement). You may join/renew online here <http://jacl.org/member/index.php>.

Applicants must be planning to attend full time at a college, university, trade school, business school, or any other institution of higher learning within the United States at the undergraduate or

graduate school level in the fall of 2011. Students deferring enrollment will not qualify for the 2011 scholarship program.

Applicants may apply under only 1 scholarship category.

Entering Freshman applicants must be high school seniors. Creative & Performing Arts applicants cannot be professional artists.

Past recipients of JACL scholarships or awards are limited to a total of two awards.

Application Materials

Only one application need be submitted to qualify for all awards listed in that same category. Applications will be reviewed for award preferences noted in the brochure.

The following is a condensed list of supporting documents required to complete a JACL Scholarship Application: JACL Membership; Personal Statement; Letter of Recommendation; Official Transcripts including SAT and/or ACT test score verification; Work Experience; and Community Involvement.
